

Candidate Screening Report

Candidate: Dorian Jackson
Assessment Date: 12/8/2025

BAD FIT

Dorian Jackson, a 22-year-old from Newport News, Virginia, applied for the Full-Time Driver position with Bostart Logistics. He has relevant experience from a year with DoorDash and other in-house delivery roles. He is currently unemployed in a position ending a month ago. Dorian holds a valid DOT medical card and a standard driver's license. He is open to relocating to Spartanburg, SC, for the role. He is currently passing a background check and a drug test, and is familiar with the areas around Spartanburg. Dorian is comfortable with the job expectations and is interested to move forward with the hiring process. The next steps for him include a video interview, background check, drug testing, and completing paperwork uploads within 5 business days. There was a scheduling issue, so a recruiter will contact Dorian as soon as possible to arrange the onboarding process.
